I've never had a man say no to my advances. When I want to bed a guy, I'll be right up front with him. Like at the supermarket last month. I saw a nice-looking, well-groomed man getting a coffee from the in-store coffee house.

I pushed my shopping cart over there, and told the barista that I'll have what the gentleman is having, being sure he could hear me.

Lake

She made me the drink and I took it over to his table, put it down and asked if I could join him for a minute. He looked at me, smiled and said "Sure."

Whoever said Jupiter is uninhabitable because of its heat, toxic air, and hurricanes, has clearly never lived in Florida.

i'm trying to remember if this is ... my eighth honeymoon?

I PROMISED MYSELF THAT I WOULD NEVER TELL HIM HOW MANY TIMES IT'S BEEN!

It's the middle of July and the summer heat in Cocoa Beach is almost unbearable. Actually it is unbearable. Anything you can do to stay cool is a necessity. Unfortunately, the evenings are rather still and the breezes, at times, are nowhere to be found. Fortunately, this morning I woke up to a breeze hitting my face and the smell of the ocean filling my nose. I slowly arose, squinting at the sun as I rose. I supported myself with my elbows and looked around. I then began to think about last night. I smiled when I thought about how sexy Paulie looked in his captain hat and naked body, the sunset reflecting off his fifty year old washboard chest. I thought about how I was his "lost traveler" and how he fucked me braced on the boat's large wooden steering wheel. I got wet again just thinking about it.

I look over to see him sound asleep, his dick flopping in the breeze, his captain's hat still on, and the slow flexing of his abs as his chest rose and fell. I slowly got up, kissed his forehead and went down into the cabin. I found my bikini that I had lost in the frenzy last night, and put it on. I then went back up top and jumped off the side of the boat and into

the water. I don't really remember, but during my swim, I thought that I hadn't told my man that I'd be leaving, and thought about him freaking out, so I swam back to the boat and climbed back aboard.

I grabbed a towel and began to dry off. I had the towel over my head and heard "Damn, that body never gets old." I jumped and flung the towel off to see Paulie leaning against a wall of the boat, still completely naked. "Same with yours." I said with a wink. His dick grew to full attention. He looked at his cock, up to me, and then said "Ya know matey, you can't just ride on my boat for free, and you gotta earn your keep. Come over here and help the captain with his chores." he demanded.

I came over and he grabbed my back and my legs, and swept me up into his arms. He leaned down and

pressed his lips to mine. We began to feverishly make out. He untied my bikini bottom and then the top, throwing them to the ground. He then cautiously carried me down the stairs, and into the shower. He turned the water on and set me down. Now, the shower is not very big, since it's in a boat. The

water fell on me, and his body was pressed close to mine. He shoved his tongue into my mouth and we made out quite passionately for a while. I didn't know how we could have sex in here because it was so cramped. He noticed this too. He began to furiously grind his hips into mine. He would grind his pelvis in circles and then straight up and down. The friction and everything about it was amazing. I looked down and watched as his abs flexed when he ground into me. He moved his mouth down and began to kiss my neck. As this grinding went on, his grunts and breaths were getting heavy, and my climax gradually arose. I couldn't take it any more so I gently pushed him out of the shower. He came back on me and began to kiss my face and neck.

After we were done kissing, we dried off, got dressed, and I followed him all the way to the top deck where he turned on the boat and we were off to our hotel. The whole boat ride I could just not stop smiling. I was so happy to be with Paulie on the Florida coast and to see him so happy. We got to the hotel at Daytona Beach around two in the afternoon, so the day, at least to me, was still young. We spent it playing on the beach, relaxing at the suite, and cuddling. Around seven in the evening I surprised him. "Get dressed. I want to go out" I told him. He didn't ask any questions, he just did it. When he came out, he looked stunning. He was wearing a very tight white tee and jeans. I was wearing jeans with a light blue halter top. I told him he looked hot, he said the same, and we left. "Where we going?" he asked. "You'll see" I slyly replied.

We left the hotel and walked down some streets and about ten minutes later we came to a very narrow one. We came to a door and I knocked on it, we were let in and led down a hallway. We entered a door and were

greeted to loud music and tons of people. I brought him to the best dance bar in Daytona. "Let's have a dance." I told him. We went onto the dance floor and we began to dance, he ground his hips into my ass, and I ground back. We danced and danced and drank continuously. We were having so much fun. The center of the floor was getting too crowded with all sorts of people and couples showing off.

Paulie and I danced somewhere else, and I took a break to go to the bar. I asked for a margarita. I gulped down my drink and headed back to the dance floor. I found Paulie again and we began to dance. It was now 2 am and we were both hot and sweaty so I said that I wanted to return to the hotel and we stumbled out of the

bar, down the long hallway, and out onto the street. I don't remember how long it took us to walk back, or to get up to the room. I don't even remember how we got into the shower but there we now were. The shower cooled us off so we grabbed our towels and headed back into the bedroom.

I took his head in my hand and pulled him close to kiss me, sliding our tongues back and forth, licking each other's lips. I got onto the bed and sat up on my knees, then dropped the towel from around my body, exposing my smooth tan skin and tight, athletic figure. He stood there adoring it.

*I stroked a thumb and forefinger up and down the length
of his penis while holding the tip in my mouth until the throbbing
had subsided and I was sure it was over.*

I leaned over Paulie, letting my long, wet hair fall over his chest and face. I closed my eyes as I felt his warm, wet saliva wet my lips, then move down to my chin and neck. Tiny electric shocks flew up my spine as he sucked and licked down my neck and chest, sucking and biting my nipples on the way down. I reached out a hand and allowed myself the liberty of brushing my fingers down along his thighs, then back up again, gently brushing past the still moist hair around his cock. He moaned as I began kissing all around his inner thighs, into the crease between his balls and thighs, then finally taking his balls into my mouth, completely, one at a time. I haven't even touched his penis yet, but I looked and saw a drop of liquid slowly ooze out of the tip and start running down one side. I continued licking down his balls and back up, then finally to the base of his cock, turning his body so he could look at me as I wrapped my tongue around the stem and slowly moved my mouth up to the tip.

"Mmmmm, very tasty!" I smiled as I took the head of his cock into her mouth and massaged my tongue back and forth over the hole at the tip. "You're going to cum already?" I asked nonchalantly as I sunk my mouth back over the top. "Yes." he managed to blurt out, involuntarily pushing his hips up to get deeper into my mouth. "It's okay." I said, between mouthfuls, "I expected... that you'd cum pretty quick." And with that I thrust my mouth all the way down to the base of his cock, swirling my tongue around. I wanted to heighten his climax so I slid moist finger slide down below his balls and firmly over his anus. He groaned as he completely lost control and began cumming

with his cock buried all the way to the back of my mouth. I was certain I was going to gag or something, but I backed off slightly and caught all of it in my mouth. I stroked a thumb and forefinger up and down the length of his penis while holding the tip in my mouth until the throbbing had subsided and I was sure it was over.

I straightened up and straddled him, then took his hard-again cock in my hand and guided into me.

I could barely contain the pleasure. I leaned forward and started moving forward and back, sending waves of pleasure running through my body. Paulie kissed me forcefully, jamming his tongue into my mouth and pressing his lips to mine, not stopping. He kept moving back and forth, over and over, and I could feel the pressure building up in me as well. Faster, faster, he started pumping his hips, pushing his cock in and out of me. I thrust my hips down onto him and grunted into his mouth. Suddenly, I could feel the semen flowing out the end of his cock with pleasure beyond that I'd ever felt. A minute or so later, as I was still cumming, I tightened my vaginal muscles and moaned into his mouth

before breaking the kiss and vocalizing loudly as I continued thrusting myself back and forth onto his throbbing cock.

The last thing I remember was cuddling into Paulie's arms, my leg over his and running my fingers through his pubic hair and lightly brushing his semi-erect cock. Looking into each other's eyes, "Love you babe." we said simultaneously. This was going to be one very special honeymoon trip!

CALL & CHERIE & TANYA

After a brief tête-à-tête-à-têtes, these three hotties get down and dirty on an oversized sofa. In their brief discussion, they decided that they were all too horny just to sit there. In a moment they were stripping down to lovely lady lingerie and ready for whomever was going to be the next fuck. Obviously they don't care about their men because they are usually too busy. You can't keep sex-a-holics pent up for long.

When our photographer caught up with Delarosa in her hometown she was ready and willing to go.

“I couldn’t wait for my photo shoot,” she said. “The thought of getting a pretty with a professional makeup artist and a wonderful photographer, what woman wouldn’t want to do it.

Delarosa

But for me, the best part was to get to fuck a guy that I just met. I’ve been celibate since my husband split so I’m real excited to screw!”

A vacation is a good time to try new things . . . especially for a woman who's had only guys . . . but who has wondered?

my vacation turned into an exploration spanish seduction

SUDDENLY I WAS IN TOUCH WITH THE LONG HIDDEN SIDE OF MYSELF

Although I've many boyfriends since college, I'd wanted to experiment more, but I never had the courage until I took a long-awaited vacation to Madrid. Something about the trip suddenly put me in touch with that long-hidden side of myself.

As I lay near the hotel's indoor pool on that first day, my eyes drifted not only to the hunky guys but also to the bikini-clad women. Then it dawned on me that I was financially and emotionally secure enough to do whatever I wanted to.

Late that same afternoon, I went sightseeing in the Sabatini Gardens and spotted a stunning woman, with long black hair and tan, athletic-looking legs. She wore khaki shorts and a turquoise tank top that showed off her firm breasts. Ironically, as I admired her body, she was admiring a naked female statue that overlooked an enormous pool of water. I walked over nonchalantly and stood alongside her, trying to get up the nerve to practice some of my rusty Spanish. Instead, it was she who spoke to me without a trace of an accent.

"Don't you just love the Classical style?" she asked, looking around at me.

"Yes," I replied, gazing furtively at her tight ass. "Are you an art collector?"

"No, I just love female nudes," she answered as she met my eyes for the first time. Then her stare drifted to my generous breasts.

"Yes, their bodies are so lovely," I said and licked my parched lips.

She introduced herself as Dacia. We ended up talking for a long time on a stone bench behind some isolated shrubbery. Dacia told me that, like me, she was an American who had come to Spain, in her case to visit distant relatives. As the sun began to set,

the air got much cooler. When I shivered a little, she placed her hand on my thigh and said, "I've got an idea I think you'll love, Tes."

"Oh?" I lifted my brows with interest.

"My cousin's bungalow is five minutes from here. She's not around. We can have the place to ourselves and take a long, hot bath together." Her face was inches away from mine. I could feel her warm, minty breath on the nape of my neck.

"I can't wait," I answered in a husky mur-

mur, placing my hungry mouth on hers in a long, open-mouthed kiss.

Her tongue went between my teeth and toyed with my tongue. I groaned and put my arms around her, pulling her close to me. Her mouth tasted sweet as I tongued her deeply. Dacia got very turned on by my aggressiveness. Her mouth opened farther, yielding completely, then becoming suddenly assertive herself. Her tongue pushed inside my lips, and her tits pushed into mine. I could feel that her rapid heartbeat matched my own.

For the first time, I could close my eyes and surrender completely to the pleasant feeling of a woman's gentle, yet quietly powerful, handling

Suddenly, she pulled away and rasped, "Have you been with a woman before?"

"No, but I want you to teach me." I kissed her neck and exposed shoulder hungrily. "Let's hurry!"

The place had a unique charm, as if it had been taken straight out of a romance novel set in medieval times. When we got inside, Dacia reminded me about the bath. But there was no running water, and we had to heat up water on the stove.

"So, this is your idea of amor, Dacia?" I laughed, maybe to cover my nervousness, as we lugged can after can of hot water to the old round tub and dumped it in.

We filled it up only halfway so we could have easier access to one another. As steam filled the small room, my muscles relaxed. She added an aromatic oil to the water that made the water shimmer with rainbow-like colors.

"Why don't you undress? Then I can really show you my idea of romance." She cooed.

I peeled out of my clothes with Dacia's help. Her hands shook as she undid my short-sleeved blouse and pulled down my shorts. Although I certainly didn't have a tan, my pale olive skin was the same color as the models for the statues from the Sabatini Gardens. I sensed that Dacia appreciated the artistic value of my breasts, ass, and skin when she said, "You have such a beautiful body, Tes." She also stared at my moist, ruddy pubes, smiling.

After that, I eased myself into the water. Dacia took the opportunity to strip rather slowly as if she were giving me a free show. Her bronze tan left no lines. Her firm ass and firm breasts were all the same healthy color. Her brown areolas stood ramrod straight, reacting to the faint breeze that whispered periodically through the open window.

She climbed in the other end. Her tits bobbed

in the water like small buoys, promising rescue from my intense lust. Her feet were situated on the sides of my thighs, so I took her toes in my hand and massaged them. As my calves went under her knees and settled near her luscious ass, Dacia reached out under the water and slipped her long fingers into my

bush. For the first time, I could close my eyes and surrender completely to the pleasant feeling of a woman's gentle, yet quietly powerful, handling.

My fingers traced the smooth indentations between her ribs. "I want you so badly," I whispered.

"Not as much as I want you," Dacia responded, and then brought her mouth down on mine.

She took me in her arms. We locked together, mouth to mouth and body to body. Her hot, naked breasts tickling against me turned me on in a way that nothing ever had before. Then we came up

for air.

"Dacia," I couldn't help murmuring as her kisses tracked down my neck and along my left shoulder. Her hands, meanwhile, were busy stimulating other parts of my body. One massaged my right bicep and the other stroked the tresses of hair against the quaking muscle of my thigh. I ached for her fingers to close around my breast and slide into my pussy, but she was in no hurry and waited until I thrust my quivering center into her hand.

"I knew you'd like this idea." Dacia calmed me with her husky voice. Moaning, I lay back and drifted in the steamy water and the satiny tickle of her curly bush against my leg.

Impatient to gratify at least some of the desire flaring through my body, I lifted one of her inviting breasts above the water and closed my lips and teeth around it, sucking it deeply into my drooling mouth. Our hot breathing was growing increas

I seemed to know instinctively what to do as I puckered my lips and sucked gently on her breast while finger-fucking her to the same rhythm.

ingly louder.

"You were right," I said, then let my palms caress her upper body, moving from her shoulders around to her rib cage, then back over her breasts and down again. Already I could feel her beginning to shudder with a deeper want.

At last, she bent to kiss each of my own erect nipples, then began to gently move my thighs apart and insert the tips of her index and middle fingers. Then her fingers directly addressed my desire. I arched against the pressure of her hand as she slowly slid in and out of me a few times. My own fingers dug against her shoulders as I moved to straddle her with my legs.

Then, after what seemed like endless teasing, she flicked her tongue against the silky, throbbing skin of my engorged clit with even more pressure. I lost myself in her touch and writhed. I had to bite back my cries as I pushed into her harder, desperate to get off.

"Ready?" she murmured into my pussy-lips.

"So good, so good!" I said as I pushed her head harder between my thighs.

She kept at me, pressing harder and harder into me with her entire mouth and lips. Then I erupted, feeling a potent surge of heat and pleasure race through me. I yelled and quaked, bucking against her face in total abandon. I was lost in the most acute pleasure of my life.

Gradually, I felt her release me, and she lifted her head, gasping for breath. "That was amazing," I said. Dacia laughed and said, "Pretty good for a first-timer. I guess your horniness makes up for your lack of experience."

"I bet I can make you even hotter," I said, moving my hand up her sultry thigh.

"I can't wait to find out," she rasped, lifting her butt near the surface of the water so that I could see her large, swollen clit poke out of her pussy-lips. Slowly, ex-

ulting in the lustiness of her supple flesh surrendering to mine, I slid three of my fingers up her pussy-hole. They glided up her hot, pulsating folds, sending tingles through both of us.

She was gurgling with enjoyment as I traced the outline of her crease and then pushed back the soft lips casing her engorged clit with my thumb. I seemed

to know instinctively what to do as I puckered my lips and sucked gently on her breast while finger-fucking her to the same rhythm.

"Get me there!" she rasped, boiling over onto my fingers as sparks of excitement caused a blush to surface on her chest. Her pleas sounded so earnestly desperate that I lifted her ass up and lodged my knees under her so her pussy surfaced just above the water. I then dived into her bush and replaced my thumb with my mouth, boring down on her clit. Cries of pleasure jammed in her throat and her sugary juices filled my mouth as I sucked her clit.

At the peak of her excitement, I plunged two fingers into her butt-hole, meanwhile slithering those of my other hand up her pussy once again. Dacia yelled and mashed her pussy harder into my moist face.

I reacted by sucking at her clit faster and more roughly. She held onto me like she was about to drown in her own lust. I lapped up every drop she had to offer until she leaned back against the side of the tub, exhausted and gasping.

"I have to go sightseeing more often," she said with a laugh.

"Only with me, Dacia," I responded, lowering my head to her enticing thigh once again.

"Only with you," she gasped, clutching my nipples between her fingers.

We spent the rest of our time in Madrid making sightseeing and seeing each other, and we continued the vacation fun even when we went back to work in the States.

I am giving a special lesson to my favorite student who just so happens to have the largest dick in the class. Please don't ask me how I know that. Anyway, he needed some special tutoring and I was available to give it to him in terms of pussy-licking and fucking. Now he's an A+ student.

When I approached him with the idea, he was all for it. So when the time came, I warmed up with a friendly vibrator until I was all heated up and ready to go.

I couldn't believe it when I saw the pictures. They were pretty good. My gosh, I even looked like a porn star of sorts. Even my husband was pleased. He said that they were quite a turn on. He especially liked the ones where I was sucking his cock and had the vibri in my pussy. I liked those too!
